CALL FOR
DO NO HARM APPLICATION WORKSHOP

I. Background information

The Cooperation Committee for Cambodia (CCC) is a leading membership organization with Domestic and Foreign Non-Governmental Organizations (DNGO) and (FNGOs) with total 183 members in Cambodia. CCC developed and implemented the Governance Hub Program (GHP) 2024-2028 to improve civic engagement, create a better enabling environment for CSOs and address development challenges in Cambodia.

Through its' working approach, CCC will encourage the integration of Do No Harm (DNH) and the Rights-Based Approach (RBA) into the organizations and activities of its partners and members. This approach emphasizes minimizing unintended negative consequences and maximizing positive impacts in any intervention or project. A series of activities have been set up and enhancing the knowledge and capacity for the CSOs on the DNH such as exposure workshop, application workshop, coaching, learning and sharing practices through the community of practice forum.

II. Objective of the application workshop
