Metta Logo

Metta's logo is composed of 4 elements : a hand, a water drop, a pottery and a leaf.

The hand : the hand of our God which can transform life of the people.

The water drop : the life of people full of miracles and blessings from God.

The leaf : a life with vitality.

The pottery : the blessing instrument after transformation. It is a living instrument to bring blessings to the people around.

Embrace Life . Walk in Love

Mission of Metta

We are committed to live out the Christian values as we *transform lives* through a *holistic care* ministry. With the power of God, we strive to build up a spiritual community to witness His *love*.

Embrace Life . Walk in Love

Service Philosophy

Metta strives to develop the ministry in a **holistic approach**, taking into consideration of the **physical, emotional, social and spiritual** needs of a person. For example, in delivering the medical service, we care not only their physical health but also their spiritual and emotional needs. In serving the poor children, in addition to caring their basic needs, we try to address their social, family and spiritual needs. Metta is **committed to put love in action** to help the suppressed, ill and abandoned to feel the love and care from the community, **bringing transformation to their lives through Jesus Christ** so that they can face future challenges in their lives with hope.
