# Survey Response

## Type of NGOs

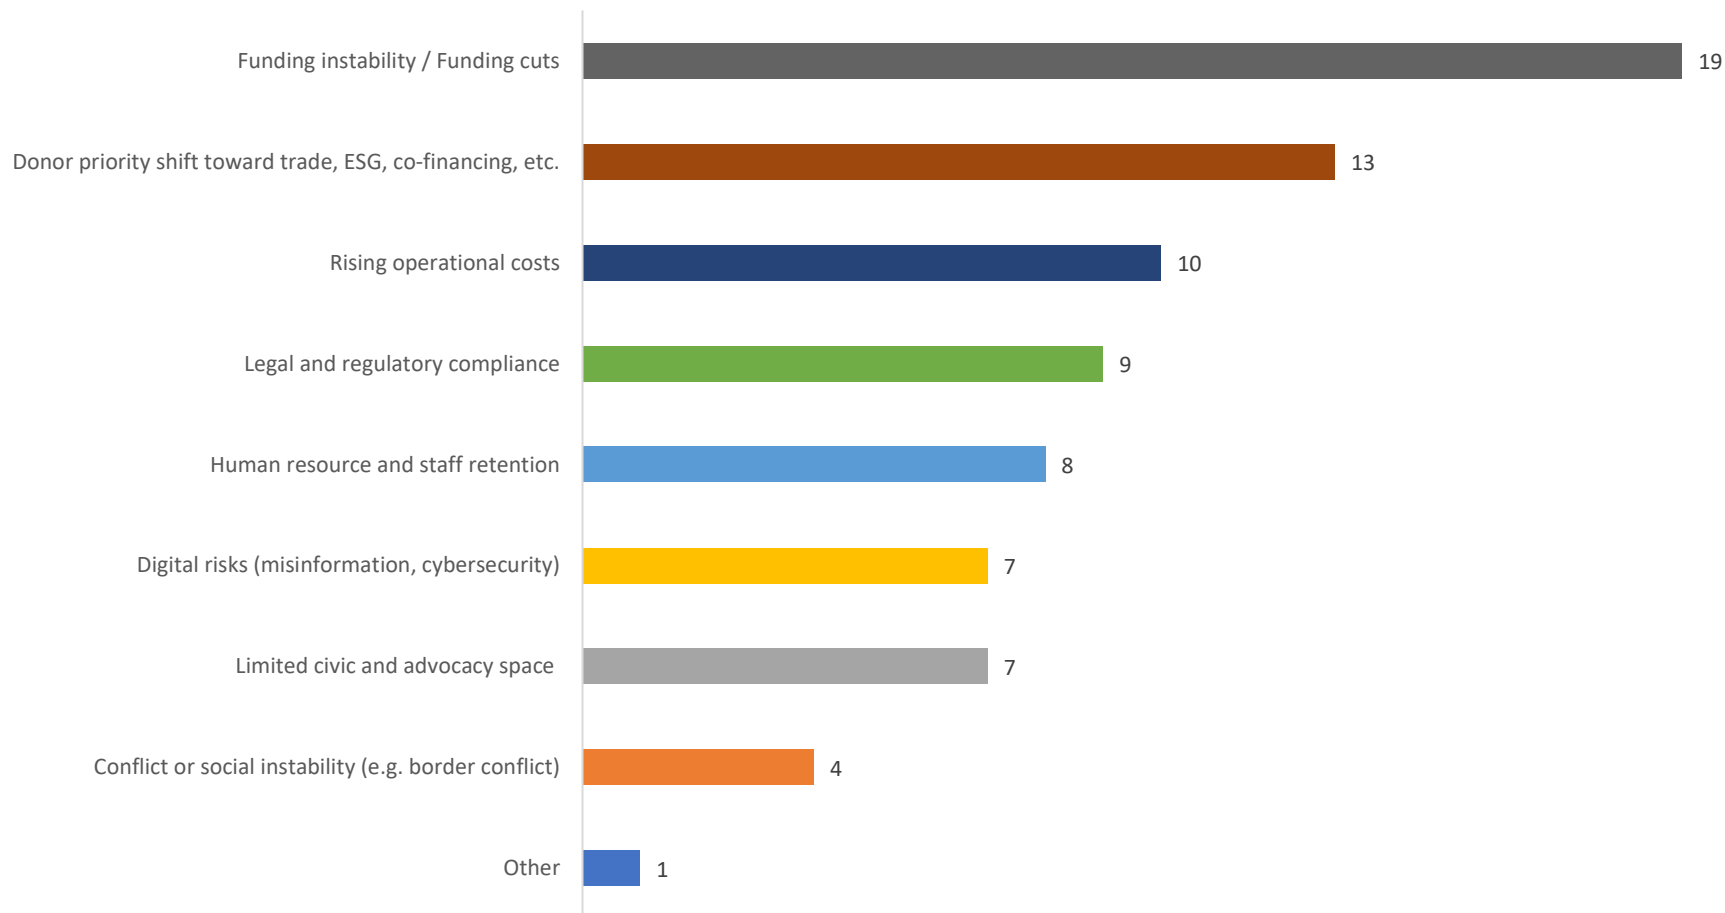

## Your role in the organization

# Impact of the major changes

## What major changes have affected your organization in the past 3–5 years?

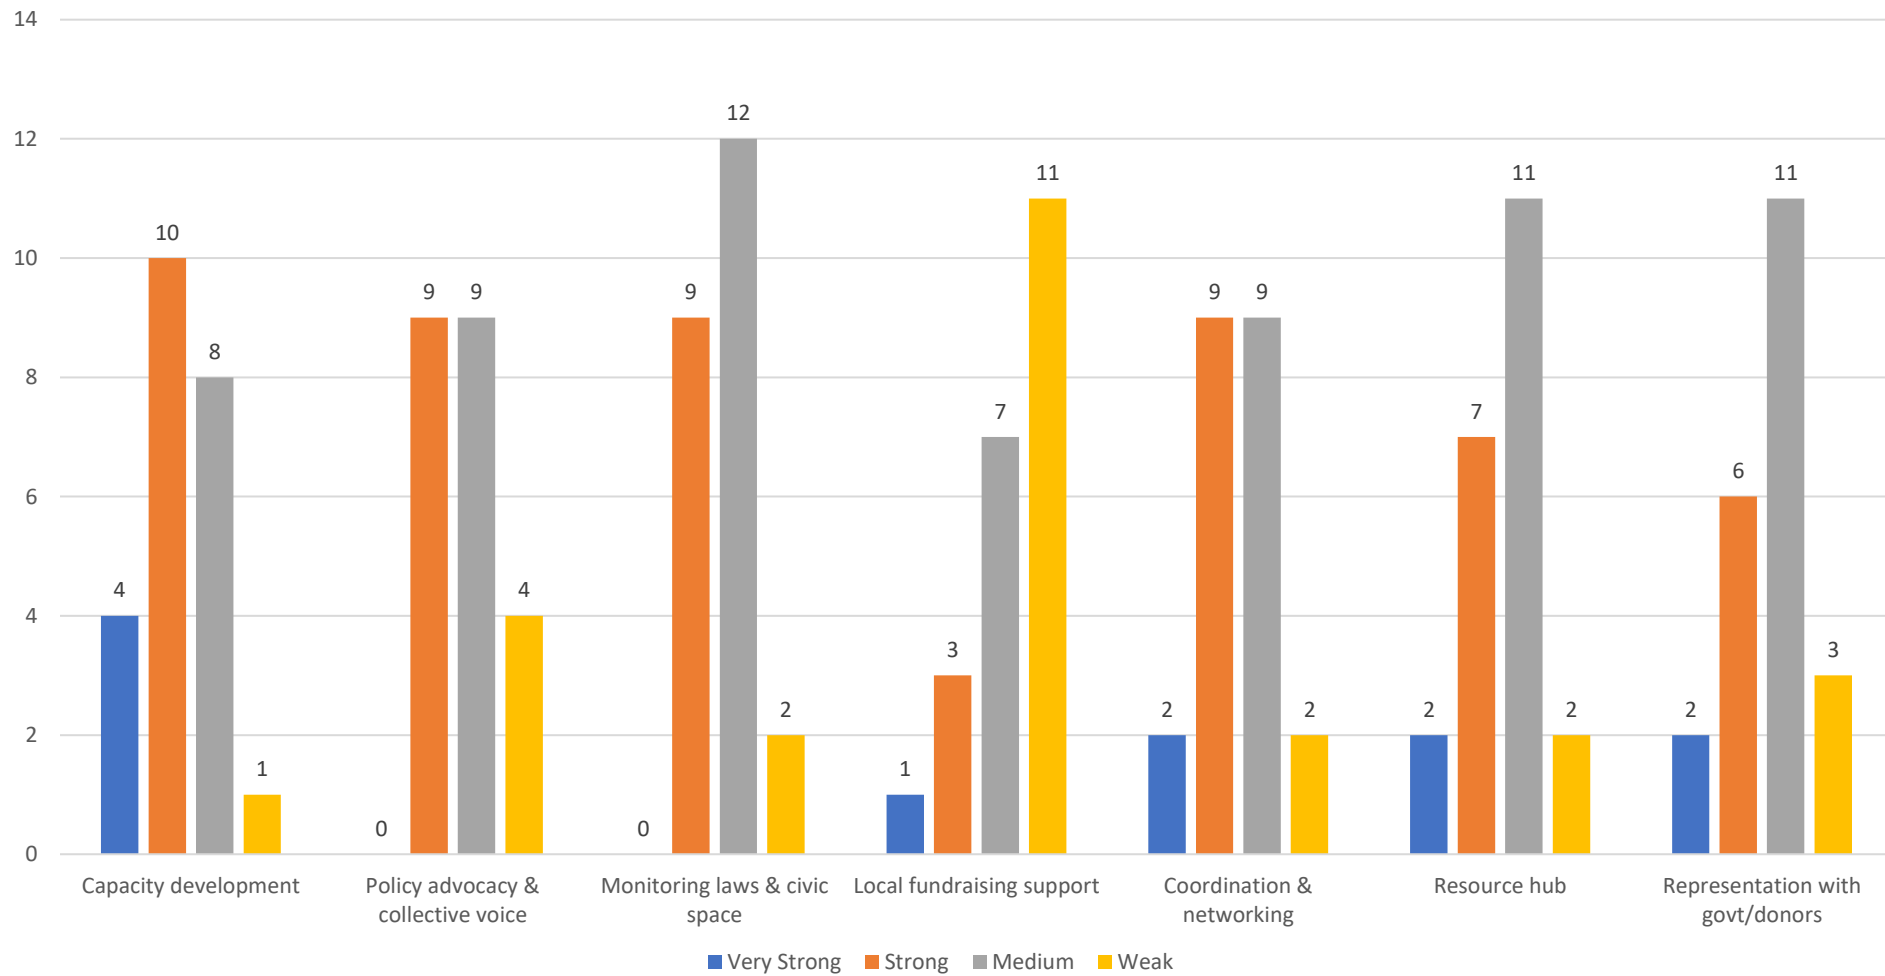

# The greatest impact on the organization

Key Theme	Description
<p><b>1. Funding Instability and Donor Cuts</b></p>	<p>The most significant impact identified by respondents was declining and unstable donor funding. Many organizations reported reduced projects, staffing cuts, operational uncertainty, and difficulties sustaining programs due to shrinking international aid and donor withdrawal.</p>
<p><b>2. Rising Operational Costs and Sustainability Challenges</b></p>	<p>Several respondents highlighted increasing operational costs, inflation, salary pressures, and limited overhead support as major challenges affecting organizational sustainability and project implementation.</p>
<p><b>3. Leadership, Governance, and Organizational Change</b></p>	<p>Some organizations experienced challenges related to leadership transitions, governance instability, and changes in strategic direction, which affected staff morale, organizational stability, and internal management.</p>

# CRITICAL CCC ROLES FOR 2026-2030 STRATEGIC PERIOD

Which CCC roles are MOST critical for organization in the next strategic period 2026-2030?

# Most Need Support from CCC

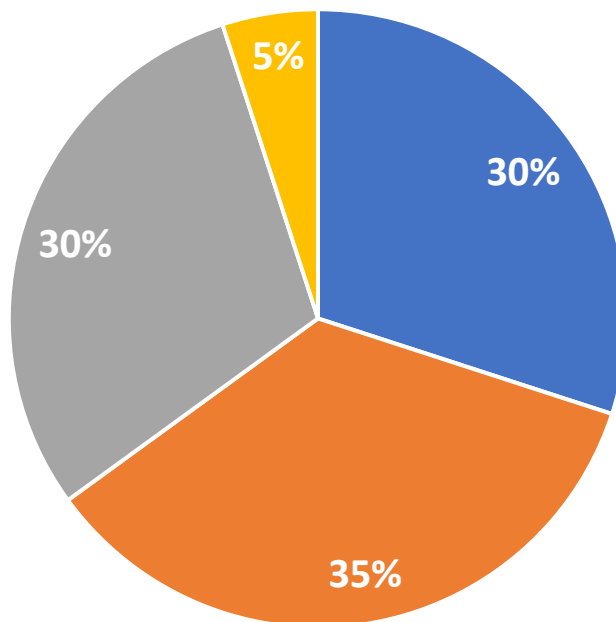

What type of support do you need MOST from CCC?

# Confidence in Local Fundraising

How confident is your organization in engaging in local fundraising or private sector partnerships?

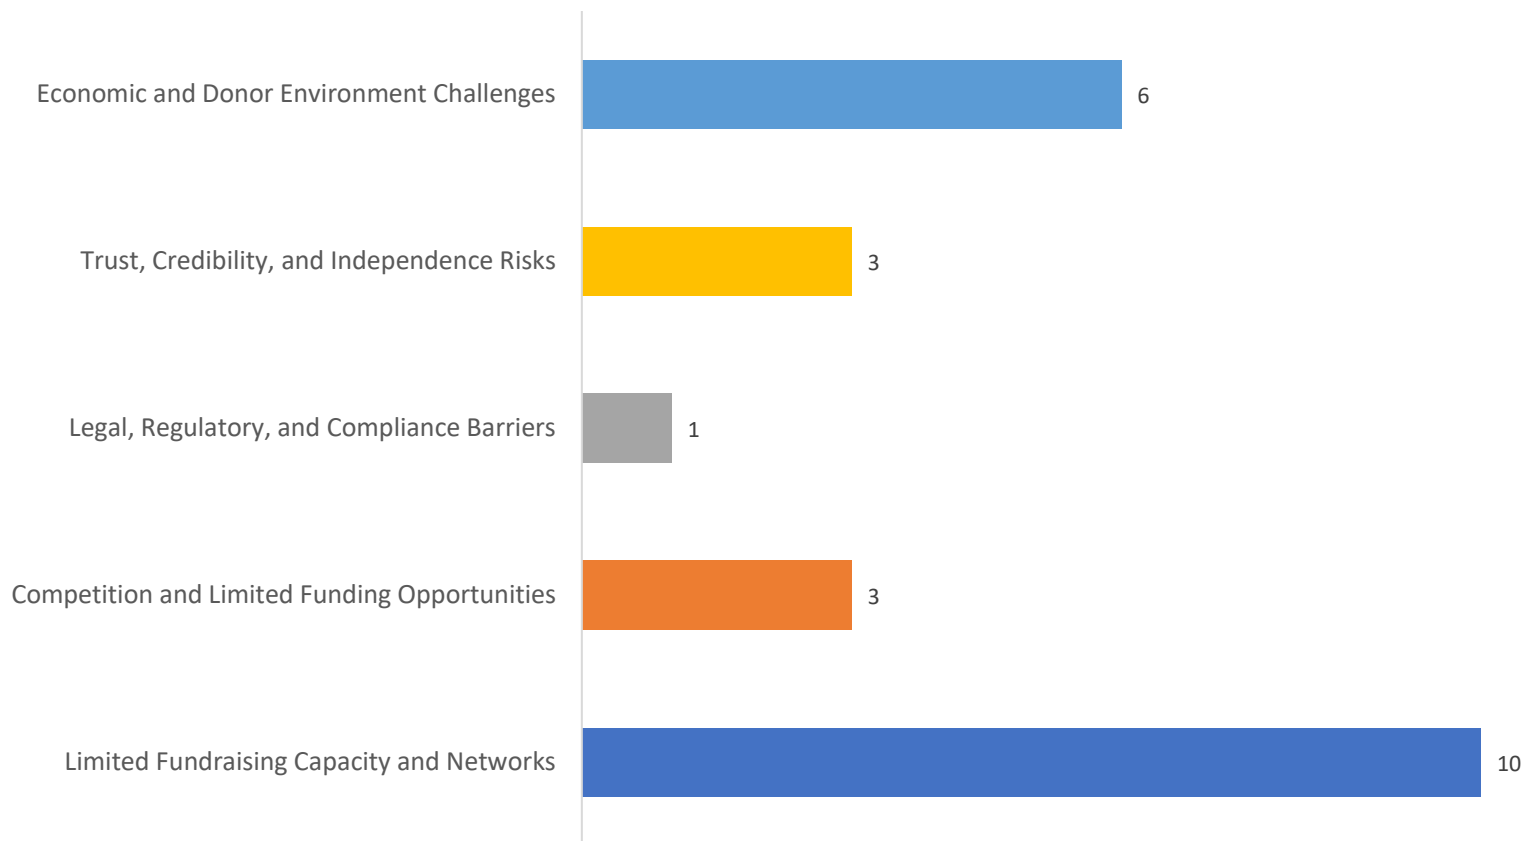

■ Not confident   ■ Slightly confident   ■ Moderately confident   ■ Very confident

**CRITICAL GAP:** Low confidence in local fundraising indicates urgent need for CCC capacity building in this area. Most members need practical tools and connections.

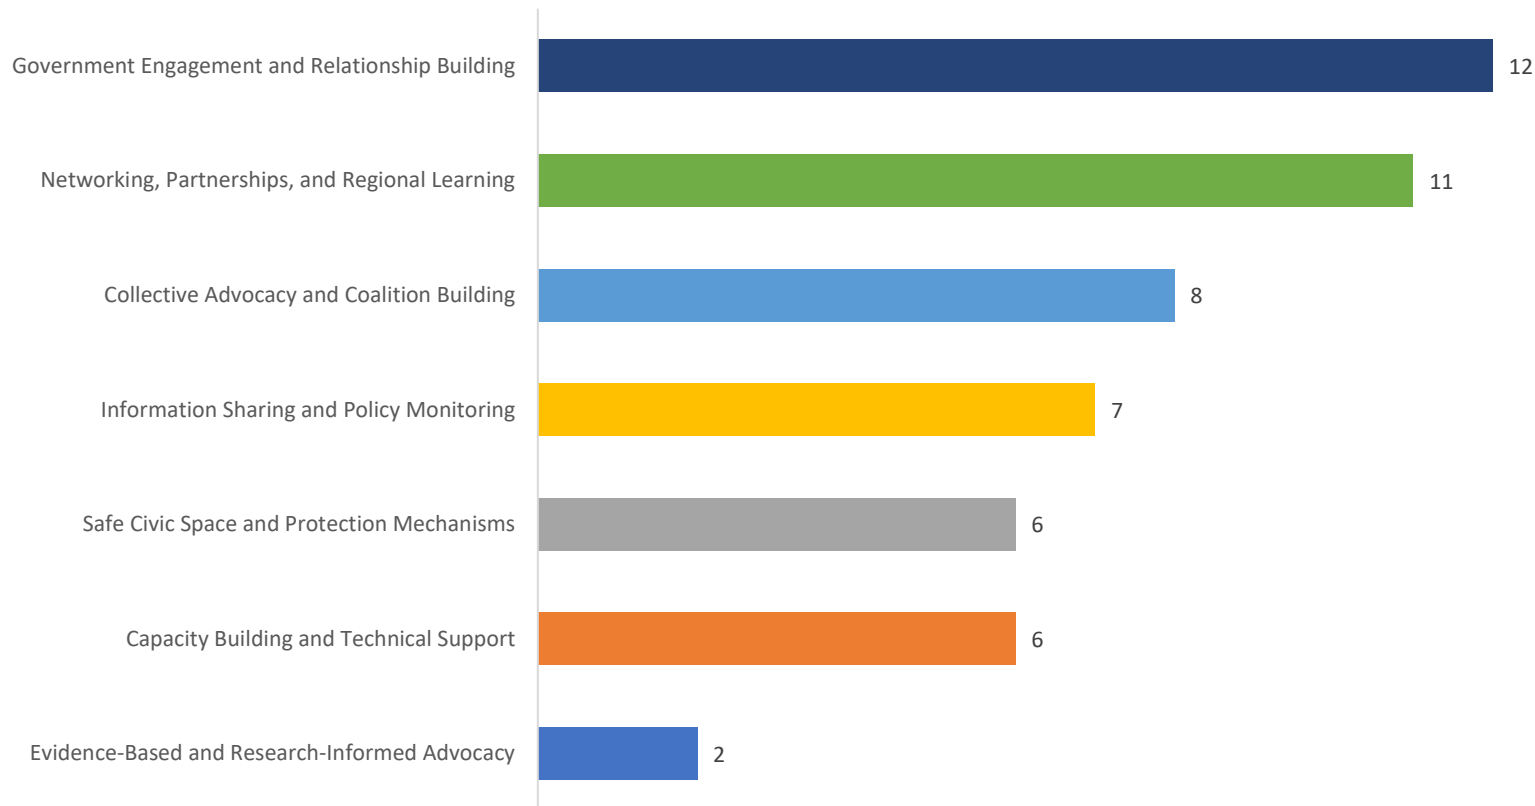

# Main Risks or Barriers

## What are the main risks or barriers?

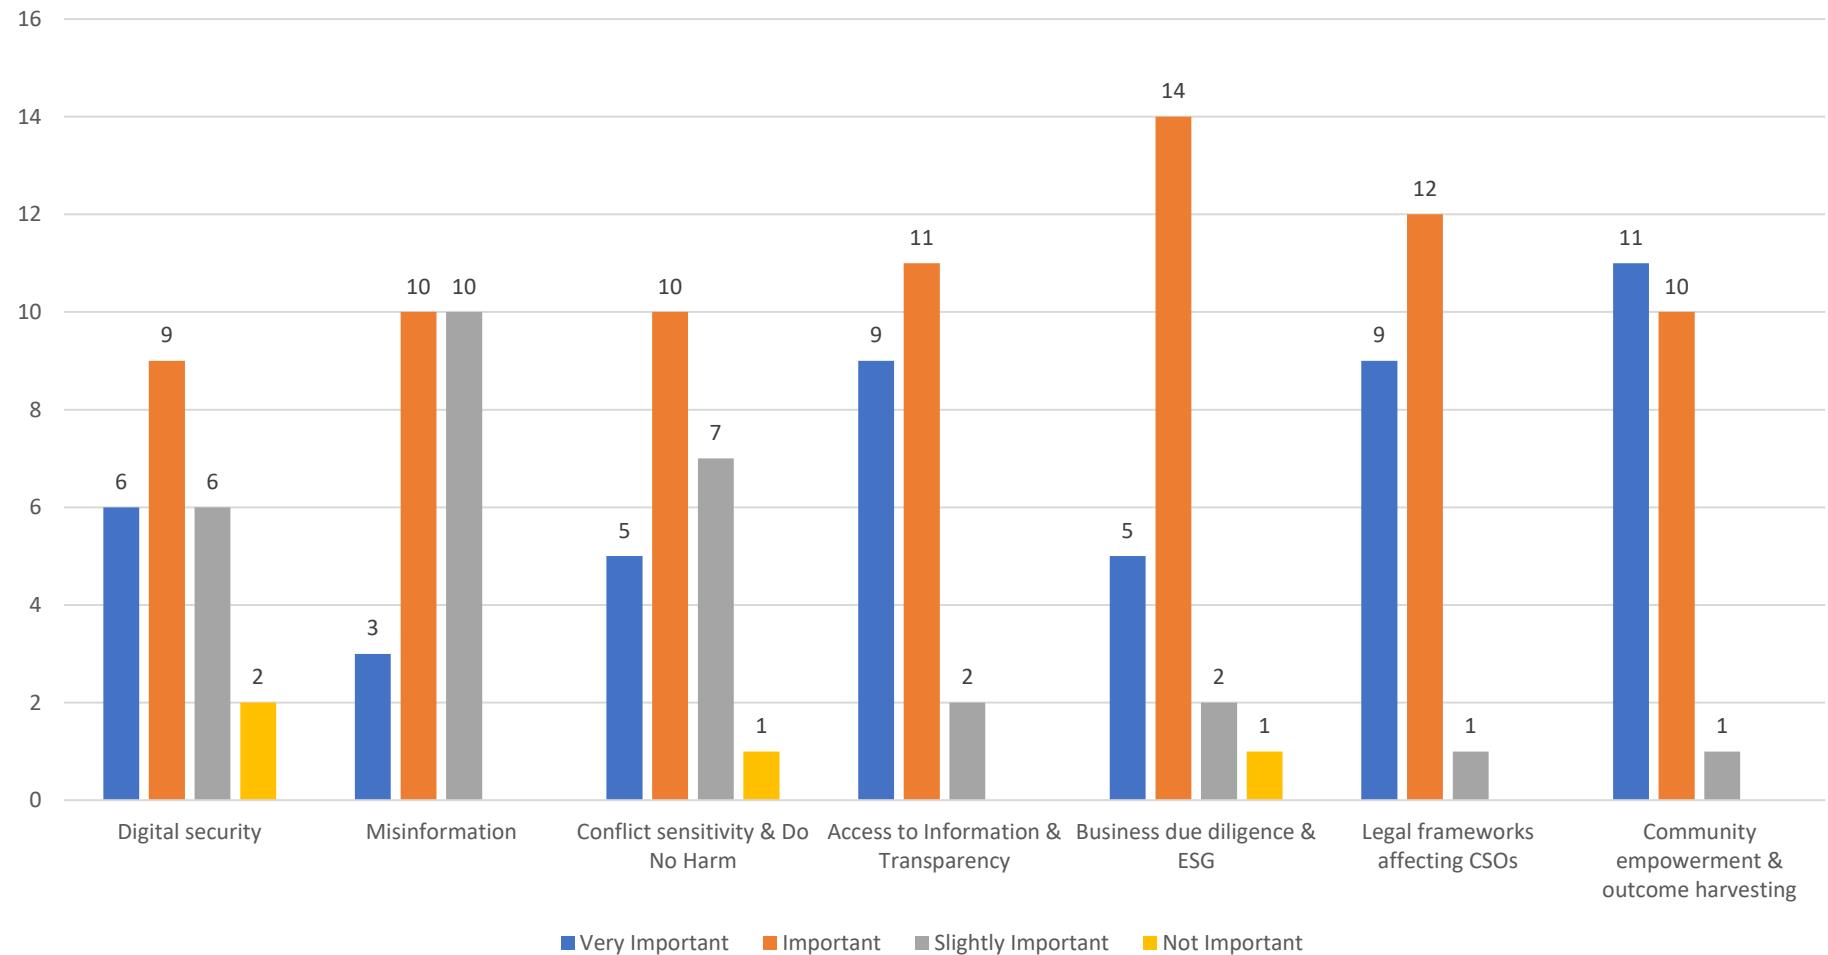

# How CCC Should Support Members

How should CCC support members to engage safely and effectively in advocacy and policy dialogue during 2026-2030?

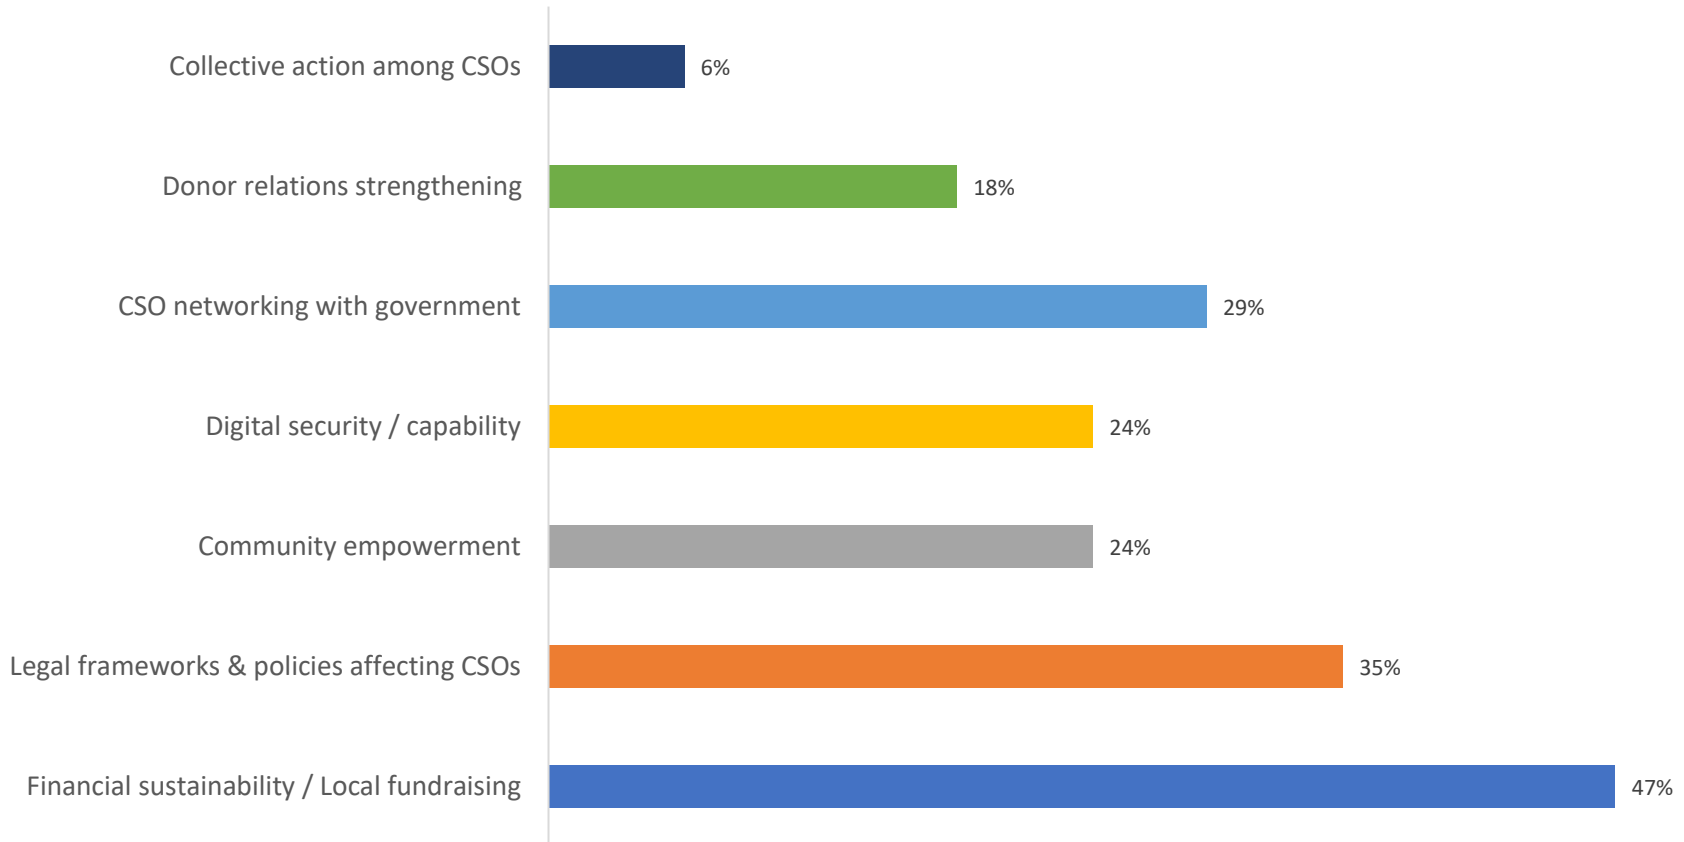

# Importance of Key Issues To Organizations

# Top Priority Areas Identified by Members

If CCC could focus on ONE priority area for members until 2030, what should it be ?

# What Should CCC Improve in Strategy?

## Stop Doing

- Duplicating training/events already offered by other organizations
- Spreading efforts across too many priorities without strategic focus
- Over-centralizing decisions and messaging
- Overloading members with compliance-heavy processes

## Continue Doing

- Policy monitoring and dissemination
- Capacity building workshops
- Networking events connecting CSOs with government/donors
- CSO engagement platform support
- Transparency and accountability standards promotion partners

## Start Doing

- Practical tools and matchmaking for local fundraising
- Private sector partnership facilitation
- Shared services (legal and financial advisory)
- Digital platform for resource sharing among members
- More grassroots integration
- Stronger data and evidence-driven advocacy
- Youth and emerging leader pipeline development
- Leadership development for Cambodian senior/middle managers
