

Session 1: Key critical question when review project data

- What do these data tell you?
- What surprises you about these data?
- What factors may explain some of the trends we are seeing?
- Do these findings lead to any new questions?
- What are you learning from this activity (key insights)?

The outcome of this meeting review be a need to further analyze the data and/or to integrate the interpretations into a set of next steps or action items.
